Terms & Conditions: Guarantee: All animals are guaranteed to be breeders with the exception of: a) calves under 12 months of age; b) injury or disease occurring after the sale; c) gross negligence or willful misconduct on the part of the purchaser; d) death by any reason. Bulls sell under the terms and conditions of each breed association. The seller guarantees that all bulls are breeders for a period of 90 days following the initial turn out with buyers herd. A bull that settles a cow by natural service and passes a fertility test performed by a competent veterinarian or reproductive technician mutually agreed upon by the buyer and seller will be considered a breeder. Safe in calf females have been examined by competent personnel and are so guaranteed. Exposed females have been exposed but are not guaranteed to be safe in calf. Open females have not been served and are so guaranteed. This is not a life insurance policy. We will not re-place a dead animal if it is killed, dies or is injured for any other reason. We would suggest that normal care be provided to these animals.
